

## Partial or full cash-in form

### Notes to help you

This form lets you take a one-off partial withdrawal from your bond or to cash it in completely.

**Notes** are provided at the end of each section to help you to complete the section.

Please use black ink and write in CAPITAL LETTERS or tick  as appropriate.

Any corrections must be initialled – please don't use correction fluid as this will invalidate your application.

Please send this completed form to: **Prudential International, Stirling, FK9 4UE.**

### Important tax warning – please read before completing this form

For UK resident individuals, withdrawals taken across all policies in a bond are compared against the 5% tax deferred allowance, available every year for the first 20 years. Any unused allowance in any year can be carried forward and used later, until you've withdrawn 100% of the amount you invested. Where those withdrawals exceed the 5% tax-deferred allowance, the excess is known as a 'gain'. This differs from withdrawals taken by cashing in one or more individual policies within your bond where generally a gain will arise if the cash-in value of a policy exceeds the amount invested in it. Any gain made will have to be reported in your Self Assessment Tax return and may create an income tax liability. Gains made may affect entitlement to personal allowances and certain tax credits.

**If you have any questions on how your withdrawal will be taxed, please speak to your financial adviser BEFORE submitting this request. Any tax liability may vary depending on whether the withdrawal is made by cashing in full policies or from across all policies.**

Tax rules can change and the impact of taxation (and any tax relief) depends on your circumstances.

### For Prudential International Investment Portfolio Only

Any Ad-hoc, Ongoing Adviser Charges or Ongoing Investment Adviser Charges that are met from the bond will count towards the 5% tax-deferred allowance.
