Adviser charges	<p>Prudential International can facilitate the following types of adviser charge:</p> <ul style="list-style-type: none"> • Set-up Adviser Charge: this can be expressed as a percentage of the total payment or a fixed monetary amount. The maximum limit to be paid for the adviser charge is the lower of 5% of the initial investment or £20,000. • Ad-hoc adviser charge: This type of deduction, which can be used to meet one-off charges, can be expressed as a monetary amount or a percentage of the bond value at the time the charge is taken. Either level of Ad hoc Adviser Charge can be selected, subject to the maximum level of 2% of the fund value in a 12 month period. • Ongoing Adviser Charges: these regular deductions can be expressed as a monetary amount, a percentage of the amount invested into the bond or a percentage of the bond value at the time the charge is taken. Only one type of Ongoing Adviser Charges can be selected at a time, with a maximum of 1% of fund value. <p>A set-up adviser charge is a single charge taken from the client's payment before the bond is set up. Ongoing and ad-hoc charges are treated as withdrawals from the bond and will count towards the 5% tax-deferred allowance. Ongoing charges will also count towards any maximum limit for regular withdrawals under product terms and conditions.</p> <p>Prudential International will not manage withdrawals to keep them within 5% limits.</p>
Withdrawal options	<ul style="list-style-type: none"> • Fixed amount. • % of bond value. • % of total amount invested. • The client can indicate the funds withdrawals are to be taken from.
Regular withdrawals	<ul style="list-style-type: none"> • Every month. • Every three months. • Every six months. • Every 12 months. <p>The maximum regular withdrawals in any 12 month period is the greater of 7.5% of either the premium(s) paid or the value of the bond when the withdrawal is set up. This limit includes Ongoing Adviser Charges facilitated from the bond. Withdrawals are made proportionately from units purchased by the initial premium and any subsequent top-ups and evenly across all policies in the bond. The client can indicate the funds withdrawals are taken from.</p> <p>If the 5% annual tax deferred allowance limit is exceeded, your client may be subject to tax under a chargeable event.</p>
PAC With-Profits Funds Annual Management Charge	1.2% p.a. of fund value (deducted before regular bonuses declared).
PruFund Range of Funds Annual Management Charge	1.2% p.a. by unit deduction, monthly in arrears.
